

Bin: Civic 90L

A stylish yet minimalist design, the Civic Bin is a 90L aluminium bin with oiled Kwila hardwood battens. The Civic has been specifically designed for maximum strength and durability with very little ongoing maintenance making it ideal for the high volume use of an urban or street setting.

The Civic is manufactured from aluminium, with the framework powder coated to provide maximum protection from weather and vandalism. The sleek design of the Civic Bin allows for effortless preservation, with easy opening and emptying facilities for maintenance contractors. An anti-graffiti shield is also available on request.
