

Bench Seat: SB1

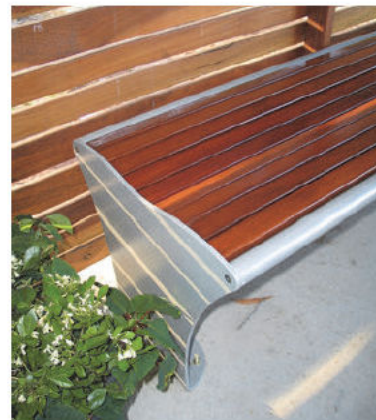

The SB1 Bench Seat is a great example of simple, ultramodern design. Manufactured in laser cut steel with timber slats, the SB1 has been ergonomically designed to give a comfortable seating position.

All seats have been designed to give optimum strength and durability. The SB1 is made of the highest quality imported Kwila, suitably seasoned and treated with a double stain and high quality clear coat for durability and enhanced natural appearance.

- Dimensions**
- Seat height: 485mm
